Dear Parents,

It is with great anticipation and excitement as the new principal at McBride Elementary School to welcome you to the 2008-2009 school year. I hope you and your family had an enjoyable and restful summer. It is my goal that all of our students will learn and grow in a safe environment. On behalf of the faculty and staff, we are looking forward to another great year at McBride Elementary School.

This handbook provides you with information that can help you understand the guidelines under which our school operates. Please read it carefully and discuss it with your child. Feel free to contact me regarding any policy which you feel may be unclear or may need revision for next year.

You play a critical role in your child's education. Throughout the year, you will have opportunities to be an involved parent. I encourage you to take advantage of those opportunities. By working together, we can increase your child's chances for success - our ultimate goal!

The McBride faculty is qualified, talented, and committed to excellence. We want to provide a positive atmosphere that makes your child eager to learn each day. Let's all work together to make this a great year for our students. Please call or visit our school at any time.

Sincerely,

Brian Lindsey
Principal
